

Please don't turn your pet into the shelter!

AC&C accepts pets turned in by their owners Tuesday-Friday only.

Project Safety Net:

A program providing alternatives to pet relinquishment

Maricopa County Animal Care & Control (AC&C) on average takes in 100-200 dogs and cats every day. Many of these animals are euthanized due to lack of space and homes. **We are asking for your help with this problem.** If you plan to turn your own animal into the shelter, please reconsider. AC&C has the following programs available to assist you in keeping your family pet.

Having a behavior problem? Call AAWL at (602) 273-6850 for help.

For low cost dog training classes call (602) 789-1637.

Moving? Ask a staff member for a list of apartments that allow pets or visit our web site at pets.maricopa.gov.

Need help feeding your dog? AC&C has a monthly Pet Food Bank program. On the third Saturday of every month at Westside Food Bank, 4211 N. 43rd. Ave; 10am-12pm

If you are turning in a mom and her babies and you are willing to keep the babies until they are old enough to fend for themselves, AC&C will provide you with a spay/neuter surgery for mom and babies, vaccinations, medical care, and pet food. Then, when they are adoptable, you can bring them in and we will try to find them a new home. Call AC&C foster care department at (602) 506-2731.

AC&C is interested in keeping animals with their families. If there is something else that you need that is not outlined above please call AC&C Public Programs department, (602) 506-3471 and we will try to work with you.

If you decline our help and choose to turn your pet into our animal care centers we will charge you \$20 toward the cost of their care.
